

Parent/Student Handbook

2020-2021

KOOTENAY CHRISTIAN ACADEMY

Information for Parents and Students

Revised January 2020

PURPOSE OF KOOTENAY CHRISTIAN ACADEMY

*To help parents fulfill their responsibility of providing a Christ-centered education for their children.

*To be an extension of the home in encouraging children to become the people God would have them be.

*To provide a program for children to acquire academic knowledge and skills using the B.C. curriculum as a guide.

*To meet the educational needs of children growing up in a rapidly changing, highly competitive society.

*To assist the children in seeing:

*that the world is God's creation

*that each one of us is created in His image

*that they need to consider their response to Him

A NON - DENOMINATIONAL SCHOOL

Neither a church nor any group of churches operates the school. It functions on a non-denominational basis. Questions of a strictly denominational nature are not debated in the school. Students are instructed to talk to their parents or to their pastor for answers to questions on which good people differ.

VISION STATEMENT

To enable all students to achieve their maximum potential in a secure and respectful learning environment, where students are challenged to explore God, His Creation, and their place in it.

MISSION STATEMENT

The mission of Kootenay Christian Academy is to assist families by providing students with a Christ-centered, Biblically directed education, which inspires students to pursue excellence in academics, moral character, and service to others.

ADMISSIONS POLICY

Kootenay Christian Academy is open to people of all backgrounds. However, being a Christian school that has its roots in evangelical Christianity, the school will only accept students whose parents/guardians consent to and support their being trained in accordance with Biblical principles.

New students are admitted only after an interview with the family to determine the family's willingness to cooperate with the goals of the school. Returning students may be interviewed as well, and readmitted upon such terms, as the administration deems appropriate.

Parents of kindergarten students will be asked to complete an ASQ questionnaire.

Routine re-admittance will be granted to all students who have favourable recommendations from the school professional teaching staff. A favourable recommendation will be regarded as 2/3 of the professional teaching staff approving re-admittance.

A student who has been expelled from KCA cannot reapply for admittance until one full year after the expulsion occurred.

A student convicted in a court of law may not apply for admittance until evidence is given that there has been a profound behavioural change. The evidence will consist of three letters of reference, one from a church pastor, one from a teacher, and one from a responsible member of the community who is not related to the applicant. In the case of children in temporary care, each will be examined on an individual basis and may be admitted for a trial period of unspecified duration.

A student who has had significant behavioural difficulties in KCA, as indicated on report cards and/or personal reports from teachers, will not be readmitted to the school. All new students are admitted on a trial basis. If a student's conduct record in another school, when received in official documents, does not meet KCA standards the student will not be permitted to remain in the school beyond the trial period. Such a student, however, may reapply, after a year has elapsed, and will be considered for admission upon presentation of a satisfactory behavioural record.

All regular admissions will be handled by the school administration within the policy guidelines.

A student issued a school suspension in a previous school will not normally be admitted until 12 months have passed since the suspension and a favourable record is submitted.

TRIAL PERIOD FOR NEW STUDENTS

Students entering Kootenay Christian Academy for the first time will be admitted on a trial basis.

At the end of November or after a 90-day period, progress will be assessed by the professional school staff to determine whether the student has met Kootenay Christian Academy's expectations and the school is able to meet the student's needs.

When the trial period is completed, one of the following will occur:

- a. The trial period will end.
- b. Probation will be invoked.
- c. The parents or guardians will be requested to transfer the student out of KCA.

PROTECTING YOUR PERSONAL INFORMATION

KCA gathers and uses personal information to provide your child with the best educational services as outlined in our Mission Statement and school policy. The personal information on these forms is required in order to register your child at KCA, and assist the school authority in making informed decisions on the suitability and appropriate placement of your child. This information will also allow KCA to respond immediately to an emergency. KCA commits to using and storing this information responsibly and will not release this information to a third party without your verbal or written consent, unless permitted under the PIPA (Personal Information Privacy Act) legislation. KCA does not sell, lease or trade information about you to other parties. For more information on KCA's use, storage and disclosure of personal information, please contact the privacy officer for KCA, Mrs. Wendy Zurrin, at 250-426-0166.

COMMUNICATIONS

The school website (www.kccademy.ca) contains plenty of information to help you plan ahead, including a year calendar.

Face to face communication is also an important aspect of our school life. Contact with parents regarding students' progress is an important part of our elementary program. In addition to three formal reports, teachers and administrators informally communicate with parents (using phone calls, notes, interviews, emails, and other messages) regarding student progress and behaviour. Parent/teacher interviews are scheduled following the first and second term report cards in order for parents and teachers to effectively plan for each child's success.

Teachers communicate with their students' families on a monthly basis using homeroom newsletters and/or a class website. These newsletters/sites allow teachers to inform parents of special events, needs for volunteers or materials, field trips, and current projects.

The best way of contacting a staff member is to use email. There are links provided on the school website. You will find that each teacher's email address follows the same format: `firstnameinitiallastname@kccademy.ca`. For example:

jsmith@kccademy.ca.

The school newsletter is emailed to families monthly, and contains important announcements and newsworthy events related to school life. Weekly updates are also sent from the office.

Increasingly, the school is using social media to communicate with parents. Like us on Facebook (<https://www.facebook.com/kootenaychristianacademy>) or follow on Instagram (kca.officialpage).

INJURY OR ILLNESS

In the event of an accident or illness, the school will phone a parent/guardian. If the school is unable to contact the parent at home or at work, the office or teacher will phone the emergency numbers given on the registration form. If needed, a student will be taken directly to the East Kootenay Regional Hospital Emergency Room and the parent will be requested to meet their child there, but ordinarily the child will be kept at school until the parent arrives. Every effort will be made to contact the parent.

NOTE: It is crucial that all emergency information at school be kept up to date! Parents of children having a medical condition that is life threatening (e.g. bee sting or food allergies) or may require emergency care must complete a medical alert form at the beginning of the school year and update it on an annual basis.

MEDICATION

Parents should notify the school office if a student is on ongoing medication so the school office can notify that student's teachers. This is not only a courtesy to school staff (medications can affect a student's behaviour in the classroom), but may prove to be invaluable information in the event of a medical emergency when the parents cannot be reached. Prescription medications cannot be administered to students without written permission from parents and doctor's instructions. These instructions must include the dosage and under what conditions medication is to be administered. A Request to Administer Medication Form (available from the school office) should be filled in by the parents if the medication is a routine daily medication for a particular condition or is part of a child's Medical Alert Plan. The completed form will be kept on file in the office.

HEAD LICE

Head lice can spread to anyone, and while certainly an annoyance, they fortunately are not a health risk. The primary responsibility for control of head lice resides with school families; the school will provide information so families know if a response is required. If a student has head lice, a letter will be sent home informing the families of that class that their child may have been exposed. The letter will provide information on how to inspect for lice at home and how to treat a discovered infestation. If your child has lice, please inform the school so that its spread can be prevented. Your privacy will be respected.

The GREEN ARROW shows the direction of moving traffic through the parking lot.

DROP OFF

IF you are dropping off students please follow the arrow to the pink box area. Pull into the coned area. Have children ready to exit on the curb side. Once children have left the vehicle, pull out into the green arrow flow and exit the parking lot.

If you are parking and escorting your children into school, follow the green entry arrow and **park** in the purple box area. You will exit the car WITH your children and follow the yellow path to the school. ***CHILDREN (K-Gr6) ARE NOT ALLOWED TO WALK IN THE PARKING LOT ALONE.*** Exit via the green arrow when leaving.

PICK UP

Students will be dismissed to the front lawn at the end of the day. (3:15pm) Enter the parking lot via the green arrow.

IF you see your children ready on the front lawn, pull into the pink “kiss and go area.” Supervisors will let students know that their ride is here. Students will enter the vehicle on the curb side. Exit the parking lot safely via the green arrow.

If you are early and your child/ren are ***not ready*** on the lawn, pull into the park/queuing area. Once you see your students on the lawn, flow into the green arrow traffic and pull into the pink KISS AND GO area. Exit the parking lot safely via the green arrow.

If you are parking and picking up your student(s) in person, pull into the purple park area, walk via the yellow pedestrian path and pick up students from the front lawn. If you wish to visit with other parents, please move to the playground area and keep the front lawn area clear. Follow the yellow pedestrian path back to your vehicle. ***CHILDREN (K-Gr6) ARE NOT ALLOWED TO WALK IN THE PARKING LOT ALONE.***

Students who are not picked up by 3:20pm will be directed to the office to wait for pick up.

*******COVID 19 Clause – Due to COVID 19 and to maintain social distancing protocols, the parking/queue is no longer on the school side of the parking lot. Preferred method of pick up and drop off is through the Kiss and Go area. We are asking all parents who wish to park, to park on the gravel side of the parking lot and walk along the sidewalk to collect your child/ren if you choose. Please maintain social distancing while on the font lawn. *******

****PLEASE DO NOT PARK IN FRONT OF THE MAIN CHURCH ENTRANCE****

VISITORS

Parent Visitors: In order to ensure the safety of everyone at KCA, we must be aware of who is in the building at all times. Parents are always welcome to visit the school, but before visiting the classroom, parents are requested to check in at the office. This enables the office to be aware of who is in the school and to notify the approved visitor of where the class is at that particular time (as they may be in the library, outside, etc.) All visitors during the school day (including parents and volunteers) are required to sign in with the office so they can receive a “visitor” nametag. This identification helps us keep our students and property safe from unwanted trespassers. School staff will ask any unregistered guests to sign in and notify administration.

Child Visitors: A request to have a non-enrolled friend accompany a student to classes needs to be made at least a day in advance to school administration.

FIRE, EARTHQUAKE & LOCK DOWN DRILLS

Procedures for emergencies are posted in each classroom, and teachers review these procedures with students. When the fire alarm sounds, students are required to exit in a quiet, calm and orderly manner, and obey instructions from the supervising teacher. A LOCK DOWN is called if an immediate school lock-down is warranted. Fire, earthquake and lock down procedures are practiced during the school year.

PARENT PARTICIPATION/ VOLUNTEERS

We love volunteers! It is a partnership between the school and home that greatly benefits children, parents and teachers. We warmly welcome those who wish to volunteer. All volunteers must register with the school prior to assisting in the school, and will be asked to complete a Criminal Record Check (all teachers and individuals who work on an unsupervised basis with children at KCA must have a background check completed).

The following obligations are required from all volunteers assisting in the school:

1. Volunteers must observe all school policies and regulations and respect school confidentiality requirements.
2. Volunteers should respect the professional role and judgment of staff, remembering that school personnel are the authority at all times.
3. Volunteers should try to consistently meet their commitment to the school, especially if a teacher is depending on help with planned activities.
4. Volunteers should report to the school office to sign in and out.

MIDDLE SCHOOL ROUTINES

SCHOOL SCHEDULE

8:35 am	Entry Whistle
8:40 am	Devotions
8:58 am	Block 1
10:15 am	Nutrition Break
10:25 am	Block 2
11:45 am	Block 3
1:00 pm	Lunch
2:03 pm	Block 4
3:15 pm	Dismissal

LEAVING DURING THE DAY

Students who need to leave during the day must sign out at the school office.

Students in middle school, who currently have no academic concerns, may leave the school grounds during lunch.

- a. Students who wish to exercise this PRIVILEGE must bring a note from their parents indicating their approval
- b. Students must sign out with their homeroom teacher when they leave and sign back in when they return
- c. Students who fail to abide but he sign in/out procedures or who are late returning to class will lose this privilege.
- d. Students who fail to show appropriate behaviour off campus will lose this privilege

LIBRARY

During library times, students are given instruction in locating, evaluating and using information, and are given time to sign out books for research or leisure reading.

We appreciate the responsible attitude that students show toward materials from the library. However, the school needs to be reimbursed for materials (including book bags) that are lost, damaged or not returned. Students will not be allowed to check out new books until the matter is resolved.

CHAPELS & ASSEMBLIES

Assembly times are scheduled for Mondays. All students in Middle School are expected to attend. Various classrooms host chapels once a month. These are very special times of learning about Jesus and building school community. Parents are always welcome to come to our chapels or assemblies.

FIELD TRIPS

Teachers are encouraged to take several field trips during the school year. A “Field Trip Permission Form” is sent home prior to the field trip. For a student to be eligible to participate, forms must be completed and returned promptly to enable arrangements to be confirmed. Students and parents will be informed of each trip at least 5 days prior to the outing. If a child is not permitted, by his/her parent to go on a trip, the parent is requested to write a note to the school and arrange care for their child during that time. We encourage parents to help with transportation and supervision when necessary. All drivers/supervisors must complete a Criminal Record Check, driver’s abstract and insurance verification form, which is placed on file in the school office prior to any field trip.

Middle School students will also be given a “Walking Permission Form” at the beginning of the year, that allows teachers to take students off campus, within walking distance, without a separate form (ie – community forest, ball quads, Joseph Creek Village)

LOCKERS

Students will be assigned lockers on the first day of school, and it is their responsibility to see that the locker is secure at all times. Lock codes/combinations will be recorded by homeroom teachers. Students must not use any substance that will mark the inside of the lockers. Material that contradicts Biblical principles or the school’s values should not be posted in the lockers. Failure to keep lockers secure and in good order may result in the loss of locker privileges.

SPORTS PROGRAMS

The Physical Education program at KCA is comprised of 3 components:

1. Physical and Health Education Classes
2. Intramural sports (lunch hours)
3. Interschool sports

All students in grade 7-9 are required to take part in PHE classes. If a student cannot take part in classes for any reason, a parent must communicate this directly to the PHE teacher- this information cannot simply be passed on verbally by a student.

All Middle School PHE students at KCA are required to wear the KCA gym strip (shorts/track pants and a KCA T-shirt). A student missing PHE gym strip must still

participate in their PHE class by their effort mark may be impacted by this lack of preparation; a pattern of missing PHE gym strip will be referred to the vice-principal.

The interschool sports program offers a variety of opportunities for students to participate on sports teams and compete in an array of sporting events, which in the past have included volleyball, basketball, track and field. If you are interested in the inter-school sports program, contact the school's Athletic Director. At the grade 7-9 levels, interschool team participation is based on commitment (attending practices and games) rather than try-outs for limited spots.

GYMNASIUM USE

Non-marking running shoes must be worn for all gym activities. Student activities in the gym require teacher supervision at all times.

STUDENT AGENDAS (PLANNERS)

We believe that it is a life skill to keep oneself organized and prepared. Students in grades 7-9 are given an agenda to help them organize their materials, plan for assignments, and keep track of tasks. Students may choose alternate ways keeping organized. Students who fail to keep organized may be REQUIRED to use the school's agenda.

REPORT CARDS

The Middle School year is divided into three terms, with report cards typically sent home in November, March, and June.

Middle School report cards use letter grades and effort marks (Excellent, Good, Satisfactory, Needs Improvement) to show student achievement in subject areas and personal development.

SCHOOL PICTURES

Individual school pictures will be taken early in the school year; families have the opportunity to purchase these pictures. Classroom photos are taken in the spring.

LOST & FOUND

Lost articles of clothing are kept in the Lost and Found Box located in the hall by the office. The Lost and Found items are removed from the school and donated to a local charity after being displayed in assemblies once a month. Small items or items of greater value (e.g. watches, wallets and eyeglasses) will be kept in the school office.

SCHOOL SUPPLIES & RESOURCES

SCHOOL SUPPLIES

KCA students have all supplies provided by the school.

REQUIRED BOOKS

Textbooks are supplied for all classes and students are responsible for books issued to them. Students with damaged and/or lost textbooks will need to pay for a replacement.

ATTENDANCE

The school's attendance policy marks the convergence of several values: safety, respect for others, self-discipline, giving one's best effort, and honesty. It is our commitment as a school to provide families with the information needed to make wise decisions and uphold school values. (Please see KCA's Attendance Policy on our website for complete details)

ABSENCES

Three main reasons exist for advising the school of student absences: safety, legal requirements (for funding purposes - the Ministry of Education requires the school to account for student absences), and student learning (achievement likely suffers when students are absent, and absences create extra work for school staff). For these reasons, parents are asked to...

- Advise the school office before 8:45 a.m. if your child will be absent or late for any classes that day. The reason for each absence can be given in person or by note, email (secretary@kccademy.ca) or telephone (250-426-0166).
- Make medical and dental appointments for outside of school hours, if possible. Advise the office of appointments which your child must keep during school hours.
- Advise the office *several* days in advance if your child will be absent for a pre-planned time period (e.g. family vacation). This allows office staff enough time to inform all your child's teachers so they can prepare appropriate make-up materials. At the middle school level, failure to complete make-up work will negatively affect report card grades.

Unexcused absences will be dealt with as follows:

- The first unexcused absence will require the Principal to contact the parents.
- The second unexcused absence will result in a letter being sent to the parents reminding them of the school's attendance policy.
- After seven unexcused absences the student will be placed on probation.

LATE ARRIVALS

Being late to school shows disrespect for teachers, office staff, and other students by disrupting routine and creating extra work. Lates also cause children to miss needed instructions and learning, and may cause stress or embarrassment for the student.

Excused Lates

There are occasions when lates need to be excused. These considerations include appointments, health issues, road conditions (including snowy/icy weather, traffic accidents and road construction), and car problems. If these events cause your child to be late, parents are asked to...

- Request that the late be excused. This is done by advising the office as soon as possible of the reason for the late. The request will only be accepted from a responsible adult – not a child. The request for the late to be excused may be made in person or by note, email (secretary@kcacademy.ca) or telephone (250.426-0166). Please note: after one week, any lates that have not had a request granted will be considered unexcused.

Unexcused Lates

Any late that has not been excused will be considered an unexcused late. Unexcused lates will be dealt with in the following manner:

- At 6 unexcused lates in a school term, a letter will be sent to parents advising them of the issue. Parents will be asked to acknowledge receipt of this letter and to rectify the problem.
- At 12 unexcused lates in a school term, parents will be asked to meet with the Principal, as there is evidence of lack of required support of school policies and values. The student may be placed on probation.

BREAKS

RECESSES & LUNCH BREAK

Students have a 15 minute nutrition break in the morning, 45-minute lunch break from 1:00pm – 1:45pm and 3 minute breaks between classes.

INCLEMENT WEATHER

Please ensure that your child is dressed properly for the weather. Proper coats, gloves, hats and boots should be worn during the winter months. Students should not play on wet days without a coat and boots. In the case of inclement weather (excessive rain or cold), the administration will determine whether or not students will be allowed outside for recess. On days when there is considerable rainfall or wind chill temperatures are below -20C, students will be supervised inside.

STUDENT EXPECTATIONS | CODE OF CONDUCT

Love|Honour|Respect|Care

(see Code of Conduct at the back of this handbook)

DISCIPLINE

Children, much like adults, are a work in progress. We are all learning about God, ourselves, others, and how all three interrelate. As a work in progress, we all make errors of judgement and require discipline in order to learn from our experiences. The school staff endeavours to partner with parents in the training of Godly students. The goal of all discipline is to help the individual develop self-discipline, restore relationships, and protect the school's environment of learning and growth. A wide range of methods and approaches are used at the discretion of the teachers and administration.

The standards for behaviour at Kootenay Christian Academy are outlined by the school values of passion for God, acting with love and respect, having a Biblical worldview, being responsible for one's personal development, and serving others. When a student requires discipline, the goal is to bring the problem to an end and to benefit from the learning experience. Students who are disciplined will be helped to understand what they have done wrong and to take ownership of both the problem and its solution. Wherever appropriate, parents are kept informed and involved in this process. Misbehaviour such as bullying, bad language, fighting, or flagrant disrespect for others are considered serious incidents and may be subject to immediate suspension from school.

If a parent has a question about how a discipline situation has been handled by the school, he/she should contact the school. Begin at the lowest level (usually the staff member who dealt with the issue). If agreement cannot be reached at this level, then administration may be contacted.

BULLYING

One of our school values is to show love and respect in relationships with all people regardless of their gender, race, culture, religion, sexual orientation or gender identity. Each student has the right to feel included in the school community, feel physically safe and socially connected. Bullying will absolutely not be tolerated. It is not a normal part of growing up, it does not seek to imitate Christ by putting others before oneself, nor is it healthy for the victim or bully. There is no viable rationalization for bullying.

Bullying can be defined in a number of ways. Key to understanding bullying is the realization that it involves disrespect for others, created through a power imbalance, and may involve repeated incidents. Through this disrespect, the student or group acting as the aggressor creates an environment that disrupts the physical or psychological safety of another student or group. This environment can be

created through the actual use or mere threat of physical harm, harassment, intimidation, or social ostracization.

It is not limited to behaviour that occurs at school. It may occur off campus or after school hours, and it may happen through direct personal contact or through texting, email or social media. If the behaviour of an individual or group of students causes another student to feel threatened, harassed or socially blacklisted, it will be dealt with as bullying.

Students at Kootenay Christian Academy are taught to report bullying incidents to their teacher so they can be dealt with. Teaching staff will deal with the issue initially and will also inform administration so that bullying behaviour can be documented and monitored. The aim of school action will be to stop the bullying immediately and the school will support the victim and his/her family. Parents will be informed if their child is involved in a bullying incident as the aggressor or the victim. If parents are aware of bullying issues or suspect that bullying is taking place, they are asked to inform school administration so the matter can be properly dealt with. Not reporting a bullying incident hides the problem, sends a wrong message to the victim and bully, and may allow bullying to continue or spread to other students. Consequences, from the removal of privileges up to/and including suspension will always be applied. In elementary grades, consequences need to be followed by proper counselling. It is important that bullying incidents be understood from the victim's perspective as the aggressor may not fully understand or accept the significance of his/her actions and how they were interpreted by the victim. Following action against bullying, the school will follow up by periodically checking in with the victim and the perpetrator to ensure that bullying does not reoccur. A pattern of bullying will result in the student's enrolment being reviewed. Restoration of a proper, respectful relationship is always the goal.

DRESS CODE

Students come to Kootenay Christian Academy to learn, work, and interact in positive ways. The appearance of our students and staff needs to support and emphasize both the purpose and values of the school. What may be perfectly appropriate to wear in some other settings is not necessarily appropriate for school. Having a dress code teaches students to be neat, clean, to respect the values and learning environment of the school, and to be considerate of others. In the elementary grades, part of the reason for the dress code is to train students before they encounter the physical and societal pressures of adolescence.

All student dress must conform to the following criteria. A student whose appearance does not conform to these guidelines will be asked to change before returning to class.

1. Students will dress in a manner that supports the values of the school.

2. Students will dress neatly and modestly so they are not a distraction to others. Some examples of clothing that do not meet this criterion include, halter tops, and exposed midriffs and/or underclothes.
4. Outside attire, such as hats, coats, and sunglasses, should not be worn in class.
5. All Middle School students will wear approved KCA gym strip during PHE classes

ELECTRONIC EQUIPMENT

Part of the reason for attending a school community is to learn to interact with others in positive ways. With this in mind, personal listening and gaming devices must not be used while at school (including lunch and recesses). These items should be left on silent in student lockers and will be subject to confiscation unless teacher permission for a specific class activity has been granted. Mobile phones should never interfere with the classroom-learning environment and are not allowed to be used during school hours. For privacy reasons, students must not take pictures or video of others at school unless it is for a specific school activity or they have received permission.

HEELYS, BICYCLES, SKATEBOARDS, SCOOTERS & IN-LINE SKATES

Students who bring bicycles to school are asked to ride cautiously in the parking lot. Helmets are mandatory – it's the law! Upon arrival, bicycles are to be parked and locked in the stand provided. The school takes sensible precautions to protect bicycles while on school property; however, bikes are brought to school at the families' own risk. Skateboards, scooters and in-line skates are not to be used on school property. Infractions will lead to confiscation. Heelys, or other shoes with wheels on the bottom, are not to be worn at school.

HOMEWORK

Middle School students need to establish good study habits and will have to study for tests or complete projects at home. Assignments that are not completed within school time may also be sent home as homework.

PARENTS' CODE

1. I have received the Lord Jesus Christ as my personal saviour and am actively involved in a local church.
2. I acknowledge that the Bible places primary responsibility on parents, especially fathers, for the education of their children, and am requesting this school to assist me in the God-given responsibility.
3. I have read and fully accept the Doctrinal Statement as my own.
4. I will pray earnestly for the school.
5. I will actively support the ministry of the school when I am able by assisting with various activities as needed.
6. I will support the standards of the school and uphold them outside of the school as well as in the school.
7. I authorize the school to employ such discipline as outlined in the school Discipline Policy.
8. I will immediately seek to resolve misunderstandings privately with the person(s) (i.e. faculty, staff, Board members, other parents) involved in accordance with the principles of Matthew 18.
9. I accept that my child(ren) will be placed at a level determined by the administration on the basis of diagnostic and achievement testing to ensure individual success for each child.
10. I accept that the school reserves the right to dismiss any child who fails to comply with established regulations and discipline; or whose financial obligations remain unpaid; or who fails to show satisfactory academic progress.
11. I understand that faithful attendance at Parent-Teacher Interviews, Meet the Teacher Night and the Annual General Meeting are vital to building a strong school. I will make every effort to attend.
12. I agree to pay my financial obligations to the school.
13. I understand that tuition does not cover the full costs of educating my child(ren) and will seek to support the school through the various fundraising activities.

Please sign beside one of the following statements, indicating your level of agreement with the

Parent's Code and return this form to the school office:

I AGREE WITH ALL STATEMENTS OF THE PARENT'S CODE

I AGREE WITH STATEMENTS 5 – 13 OF THE PARENT'S CODE

STUDENT CODE OF CONDUCT

As a Christian community, we want student behaviour and conduct to be guided by Jesus' command to love God above all and our neighbour as our self. This includes:

1. Our Relationship with God (Love)

- a. Speak of God in respectful ways
- b. Encourage a close relationship with God in others as well as ourselves, through activities such as Bible reading, prayer and worship
- c. Live as sons and daughters of the King, believing we are perfectly made in His image

2. Our Relationship with those in Authority (Honour)

- a. Be respectful in our speech and conduct
- b. Be obedient to those in authority over us
- c. Encourage others to be respectful of authority

3. Our Relationship with Others (Respect)

- a. Be respectful of others
- b. Address one another properly and do not resort to name-calling, swearing or crude language towards one another
- c. Give of ourselves to others and encourage everyone to feel included
- d. Remember that there is "no touching except for helping"
- e. Learn to apologize when we fail and to seek God's forgiveness as we strive to live in fellowship with one another
- f. Respect each other's property and use only with permission

4. Our Relationship with school property (Care)

- a. Be careful in our use of school property, which includes the books, furniture, equipment, technology and the building
- b. Treat the playground and outdoors respectfully
- c. Report any damage done and pay for damages when we are responsible
- d. Accept personal responsibility for the cleanliness of the school and the grounds
